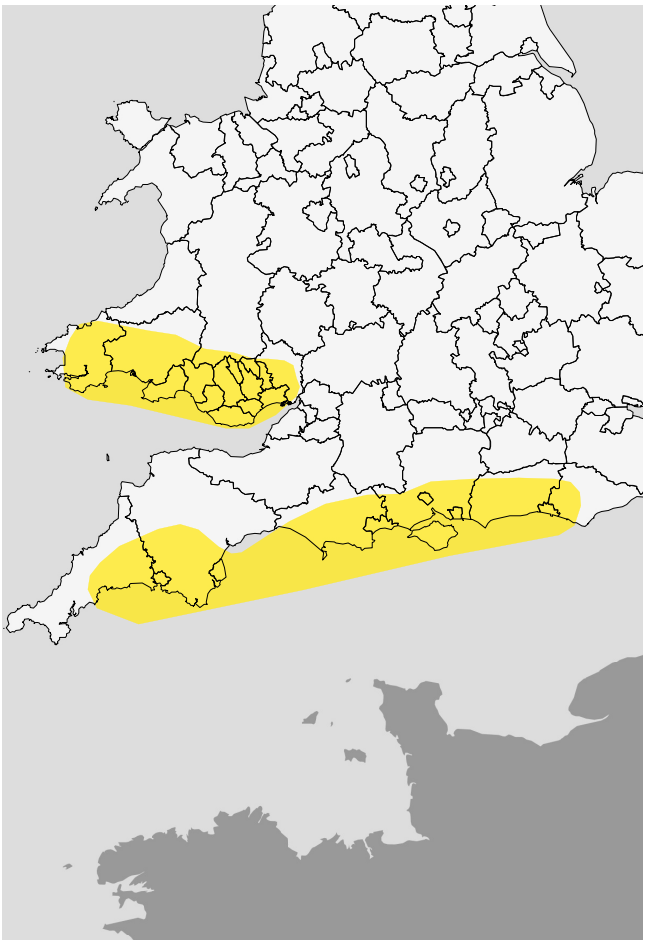
Yellow warning
Rain

Between
14:00 Sat 26 Nov 2022 and
06:00 Sun 27 Nov 2022



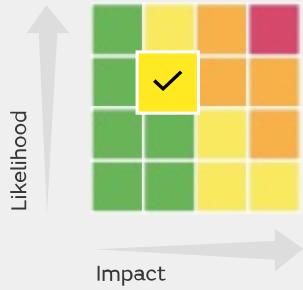
Rain, heavy at times, is likely to cause some disruption on Saturday afternoon and night

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is possible

Further details

Rain will develop across south Wales and southwest England during Saturday afternoon, moving slowly east overnight. Although the most persistent rain is expected over hills, periods of heavy rain are expected almost anywhere. 15-25 mm is expected quite widely, with some places seeing 40-60 mm of rain, particularly over hills in south Wales and southwest England. Strong winds will accompany the rain, with gusts of 45-55 mph over hills and around coasts. Although it is expected to become drier for a time, there is a chance for further rain to redevelop during daytime on Sunday, particularly across southeast England.



✓ Medium likelihood of low impacts
